CHAPTER 73 is a non-profit group established for those interested in enjoying the fun of sport autogyro aircraft and helicopters. Through this fraternal group of aviation enthusiasts, you'll be a part of a group who love rotorcraft, swap information, hold flying events and share their expertise and experience. As a member of PRA Chapter 73, you'll receive (or have access to an online copy of) a monthly newsletter to keep you up-to-date on local activities.

Meetings are usually held the third Saturday of each month at Scappoose Airport (10:00 AM). The latest location and time is announced on the club website Home page each month.
